MEMORANDUM FOR DTW

SUBJECT: Authorization for DT Contractor Travel

In order to support the European Test Bed 21-1(ETB 21-1) Event Operational Testing (EOT) and Execution (EXE), I authorize the individuals listed in spreadsheet (Encl) to travel to the location on the date as listed. This travel is deemed mission essential. The contractors going to ETB 21-1 EOT and EXT are responsible for designing the Live/Simulation architecture, assisting with the Tactical Data Link architecture & IT network architecture, and co-leading the scenario development process (which drive sim requirements and configurations). Full details are provided in the spreadsheet.

Contractors shall follow their respective contract instructions regarding travel approval, and comply with MDA, state, local, and company policy regarding COVID 19 precautions.

My point of contact for this memorandum is Mrs. Judy Nevers, MDA/DTW, at 256-975-1048, or judy.nevers@mda.mil.
