District Director
U. S. Customs and Border Protection
U.S. Port

Subject: Temporary Export of Electronic Device

To Whom It May Concern:

This certifies that Aerodyne Industries employee, Daniel Johnson, is hand carrying a Government Dell Latitude E7490 Laptop PC, Serial No 8TYQZQ2, as "tools of the trade" for personal work use and not for resale while traveling to Germany 22 March – 17 April 2021. This device is classified under the U.S. Department of Commerce CCL as ECCN 5A992.c, exportable to Germany as "No License Required" (NLR)

This device contains SSL-secured e-mail for personal use only. The security features are exportable under Commerce CCL 5A992 Commerce License Exception "BAG." All software loaded on the devices represents commercially available software exportable under Department of Commerce License exception "Technology & Software Unrestricted" (TSU). Mr. Johnson and the Missile Defense Agency certify that the devices contain no technical data as defined in §120.10 of the International Traffic in Arms Regulations (ITAR).

For any questions regarding this export, please contact our Facility Security Officer, Mrs. Kathleen Anusbigian, at 321-613-2948 or via email at ka@aerodyneindustries.com.

Sincerely,

Carl McManus
Empowered Official
